d'Hiesige (Spritizers)

D'HIESIGE of ALLGÄUER ALPENWASSER are Fruit Juice Spritzers of a very special kind. The non-alcoholic drinks, which were created based on the example of various locals, are representative of the Allgaeu and its very different characters.

"If you were to put the Allgaeu through a juicer, add high-quality ingredients and our natural mineral water from the Nagelfluhkette nature park... the varieties from our new "local" line would definitely come out at the end."
